Departure?

This is a proposed timetable and timings will be confirmed at a later date.

Saturday and Sunday morning will be open to all locally who wish to participate.

The Chapter is being held in Gibraltar to enable us to see a successful and growing fraternity in action, which is the largest fraternity in OFSGB, numbering about 60. Gibraltar is the only Fraternity which supported the Youth Gather and has already established a Young Franciscan Group.

Christine Frendo from Gibraltar is our National Youth Councillor and her daughter Joanna is Youth Councillor for the London Region.

ABOUT STEVE RAY

Steve Ray...shares the truth and beauty of the Catholic Faith. From his conversion story to his adventures overseas, from his talks on St Paul to raising a Catholic family, from teaching the Bible to explaining the Eucharist – he is excited to speak to us. Steve has given talks and seminars all over the world. He has worked extensively with EWTN, where he is a regular guest, St Joseph Communications, Franciscan University of Steubenville and many others... But Ray wasn't the only one caught up in that whirlwind. His wife, Janet, and their four children were swept along as well. The Rays never wanted to become Catholic. They never even set foot in a Catholic church until the day after they decided to join.
